

The following is a suggested pricing chart for the items that you may want to consign. These are just suggestions, and you should use your own judgment in determining how much you would pay for each item if you were the buyer. Keep in mind the brand while you are pricing. Sometimes it makes sense to group items together (i.e. outfits, related toys or books) to help you get a better price than if you were to sell the items individually. Items to be sold must be priced at a minimum of \$1. In addition to the below, you can use the
